## Beyond Events launches wedding arm

Lorraine Francisco, 13 February 2009

[Be the first to comment on this article](#)

Beyond Events has launched a wedding arm called Beyond Weddings.

It will be headed up by Leonie Dyson and Kate Kassar and offer clients the chance to organise weddings in the UK and abroad.

"We just saved 15% on overall wedding costs for a client in January so we are business savvy as well as taking a creative approach to weddings," said BEYOND director Kate Kassar
